

EPISCOPAL CHURCH OF THE RESURRECTION MENS FELLOWSHIP GROUP

Many thanks to the Resurrection Men's Fellowship Group who honored our Hospitality Team for their hard work and welcoming ministry on June 24th graciously hosted by Joyce and John Biggs. Mr. Rich Conn led the cause as nine of the Men's team helped to prepare a sumptuous steak dinner for the ladies of Hospitality.

Each of the men contributed in preparing the meal.

The menu included wine, a pre-dinner spread of snacks, and a main course of KC Strip steaks (cooked with a special rub and seasoning from Mr. Conn), coleslaw, corn on the cob, and a cobbler dessert of Rich's creation with peaches and cream.

The men enjoyed any leftovers along with beer and brats.

The Biggs' home was nicely adorned with table cloths and nice china and the men enjoyed serving and pampering the guests of honor through the evening. After consuming the wonderful culinary creations, the ladies enjoyed each other's company around the pool and patio. Many thanks to Joyce and John!
